The subjects covered in our French Language Worksheets include:

- Pre-departure and in-flight (What have I packed? Start thinking in French!)
- Environment and Conservation (Amédée Island, Le Parc Forestier, Le Cagou)
- Shopping at a French supermarket (Work together to buy ingredients for lunch)
- Local market shopping (Le Marché)
- Local culture (Tjibaou Cultural Centre)

Teachers can select a combination of as many worksheets as their itinerary will allow and are designed to reinforce learning through group activities and creation of a 'digital diary', which will also provide students with a memento of their trip.

NEW for 2018 – School visits and Bougna at Creipac

We are pleased to present two NEW options for schools attending language classes at Creipac in 2018!

- Visit to a local school
- Prepare and enjoy New Caledonia's national dish, the 'Bougna'

Students will enjoy practising their language skills with the children from a nearby school, it's a great way to improve their conversational French, as well as making new friends!

A visit to Le Marché is a key component of the preparation of the Bougna. Students will purchase all ingredients before returning to Creipac to cook their meal, before sharing it together on the seafront at Creipac.

'The North'

Give your students the experience of a lifetime on this 3D/2N trip to the North. Experience the hospitality of the local tribes as you share their national dish together and marvel at the spectacular limestone rock formations.

UNESCO listed lagoons and the diversity of the Flora and Fauna unlike anywhere else in the Pacific. Highlights include:

- Visit Turtle Bay in Bourail, and walk along the spectacular cliff top
- Prepare and enjoy the Bougna with the local village chief and his family in the Napoemien Valley
- Walk through the village, meet the local tribe folk, catch freshwater prawns, see diverse flora and fauna, and stop to see the Petroglyph
